APPENDIX C TO PART 290—FOR OFFICIAL USE ONLY

(a) General. Information that has not been given a security classification pursuant to the criteria of an Executive Order, but which may be withheld from the public for one or more of the reasons cited in FOIA Exemptions 2 through 9 shall be considered as being for official use only. No other material shall be considered or marked “For Official Use Only” (FOUO). FOUO is not authorized as an anemic form of classification to protect national security interests.

(b) Prior FOUO Application. The prior application of FOUO markings is not a conclusive basis for withholding a record that is requested under the FOIA. When such a record is requested, the information in it shall be evaluated to determine whether, under current circumstances, FOIA exemptions apply in withholding the record or portions of it. If any exemption or exemptions apply or apply, it may nonetheless be released when it is determined that no governmental interest will be jeopardized by its release. (1) Historical Papers. Records such as notes, working papers, and drafts retained as historical evidence of Agency actions enjoy no special status apart from the exemptions under the FOIA.

(2) Time to Mark Records. The marking of records at the time of their creation provides notice of FOUO content and facilitates review when a record is requested under the FOIA. Records requested under the FOIA that do not bear such markings, shall not be assumed to be releasable without examination for the presence of information that requires continued protection and qualifies as exempt from public release.

(3) Distribution Statement. Information in a technical document that requires a distribution statement pursuant to DoD Directive 5230.24¹ shall bear that statement and may be marked FOUO, as appropriate.

(c) Markings. (1) Location of Markings. (i) An unclassified document containing FOUO information shall be marked “For Official Use Only” at the bottom on the outside of the front cover (if any), on each page con-

taining FOUO information, and on the outside of the back cover (if any).

(ii) Within a classified document, an individual page that contains both FOUO and classified information shall be marked at the top and bottom with the highest security classification of information appearing on the page.

(iii) Within a classified document, an individual page that contains FOUO information but no classified information shall be marked “For Official Use Only” at the bottom of the page.

(iv) Other records, such as, photographs, films, tapes, or slides, shall be marked “For Official Use only” or “FOUO” in a manner that ensures that a recipient or viewer is aware of the status of the information therein.

(v) FOUO material transmitted outside the Department of Defense requires application of an expanded marking to explain the significance of the FOUO marking. This may be accomplished by typing or stamping the following statement on the record prior to transfer:

This document contains information
EXEMPT FROM MANDATORY DISCLOSURE

Under the FOIA. Exemptions apply.

(2) Instructions for marking DCAA audit reports are contained in Chapter 10 of the Contract Audit Manual (CAM)².

(3) DCAA Label 4, FOUO Cover Sheet. This form may be used to further identify FOUO information.

(d) Dissemination and Transmission. (1) Release and Transmission Procedures. Until FOUO status is terminated, the release and transmission instructions that follow apply:

(i) FOUO information may be disseminated within the Agency and between officials of DoD Components and DoD contractors, consultants, and grantees to conduct official business for the Department of Defense. Recipients shall be made aware of the status of such information, and transmission shall be by means that preclude unauthorized public disclosure. Transmittal documents shall call attention to the presence of FOUO attachments.

(ii) Agency and DoD holders of FOUO information are authorized to convey such information to officials in other departments and agencies of the executive and judicial branches to fulfill a government function, except to the extent prohibited by the Privacy Act. Records thus transmitted shall be marked “For Official Use Only”, and the recipient shall be advised that the information has been exempted from public disclosure,
